

General Terms and Conditions for the KLAXOON Service R2019-1
In force as of 16th of October 2019

1. Subject

1.1. These general terms and conditions for the KLAXOON service (hereinafter the "GTCS" or the "Contract") define how the KLAXOON service (hereinafter the "Service") can be accessed and used by its clients and/or its affiliates (hereinafter the "Client") for their personal use without requiring prior written express authorisation, clearance or certification from KLAXOON. KLAXOON and the Client are hereinafter referred to as the "Parties".

1.2. The Service allows data (hereinafter the "Data") to be stored and exchanged in the context of the organisation of interactive meetings, training sessions and/or seminars.

The Service can be accessed either in "Software as a Service" mode via the Internet (hereinafter "Access in SaaS mode"), or using equipment provided by KLAXOON (hereinafter the "Equipment"), depending on which option is selected by the Client in the Order Form (the definition of which is given below).

1.3. The options to which the Client subscribes in the context of the Service are mentioned in the Order Form. It is hereby stated that the number of participants (hereinafter the "Participants") at a given meeting and the number of sessions per year is limited to the values specified in the Order Form. The Participants' use of the Service is regulated by KLAXOON's general terms and conditions of use (hereinafter the "GTCU") and is subject to the prior acceptance of the GTCU by the Participants. In the event of any discrepancy(ies) and/or contradiction(s) between the provisions stated in the GTCU and those in these GTCS, then the provisions in the latter shall prevail over those in the GTCU.

1.4. By placing an order with KLAXOON for the use of its Service, the Client accepts the GTCS, the Order Form (as defined below) and expressly renounces its own general terms and conditions of purchase or any other pre-existing document or communication relating to the Order which is not formalised by a written amendment signed by the two Parties.

2. Orders

2.1. To place an order, the Client must duly complete in writing and send to KLAXOON a form, issued by KLAXOON, expressing the Client's commitment which the Client must date and sign or agree upon specific conditions of services with KLAXOON, (hereinafter the "Order Form"). Such Order Form shall be accompanied by (i) payment of the agreed amount and (ii) the current GTCS (hereinafter the "Order").

2.2. An Order Form is considered to be valid and accepted by KLAXOON once KLAXOON has cashed the payment of the amount indicated in the Order Form.

2.3. KLAXOON reserves the right to improve the Service and/or the Equipment at any time and without informing the Client in advance. Service enhancements are deployed in accordance with Article 9.9.

2.4. The version of the Service which KLAXOON agrees to allow the Client to use is the latest version in production at KLAXOON. The Client can consult the version number via Access in SaaS mode and on the Service's interface. The Rental and/or Purchase (as defined in Articles 6.1 and 6.2) of the Equipment relates to the version of the Equipment available at the date of the Order.

3. Price

3.1. The prices are indicated in the Order Form in euros, exclusive of VAT and of any external fees or charges of any kind.

3.2. The prices mentioned in Article 3.1 do not include specific developments and/or additional services, including where such developments or services have been requested by the Client, the provision of which shall be invoiced specifically by KLAXOON (hereinafter "Additional Services").

3.3. KLAXOON reserves the right to modify its prices at any time. Price changes are applicable immediately to any new Order. For Services in use, in the event of a price increase, the Client shall be informed thirty (30) calendar days by e-mail before the effective date of the new prices. As a result, the Client will have, from this notification, a period of thirty (30) calendar days to terminate without penalty the Subscription and/or the Rental, by registered letter with request for acknowledgment of receipt. Otherwise, the Client will be deemed to have accepted the new prices applicable to the Service.

4. Payment terms

4.1. Invoices are sent to the Client by any possible means (electronic or postal) and must be paid not later than thirty (30) days after the invoice date unless otherwise stated in the Order Form. KLAXOON may require the payment of an instalment or of the full price of the Service in order to validate the Order. With regard to Subscriptions Rental, and/or Purchase (definitions of which are given below), KLAXOON may require payment in advance of all or part of the amounts which must be paid by the Client to cover the duration of the Client's commitment. No discount is awarded for early payment.

4.2. Any invoices not paid when they reach their due date shall accrue interest based on a rate equal to three (3) times the current statutory base rate, plus five (5) percentage points, starting from the date when the invoice becomes due and without notification.

4.3. In accordance with the provisions of articles L.441-3 and L.441-6 of the French Code de commerce, any late payment shall require, as of right, the payment by the professional debtor of a fixed fee to cover the costs of recovering the debt of forty (40) euros. Notwithstanding the above, the value of this fee shall be increased up to the value of the actual cost of recovery, subject to justification, if these costs exceed forty (40) euros.

4.4. Moreover, if the Client fails to settle by the due date an invoice sent to the Client, KLAXOON reserves the right to suspend the Client's access to the Service, to cancel the Subscription or Rental, to solicit the resolution of the Purchase (under the terms stated in 15 below), to demand the return of Equipment, to keep by way of initial compensation the sums already received under the terms of the Order concerned, and without prejudice to any other compensation and any other means of recovery. The suspension of the access to the Service will occur thirty (30) days after sending a formal notice to the Client remaining ineffective and indicating the intention to enforce this Article and not followed by regularization. The suspension referred to above shall not be considered as unavailable time of the Service in the context of the implementation of the Service commitments provided for in Article 9.8 of the GTCS.

5. Access in SaaS mode

5.1. The Client may subscribe to Access in SaaS mode for an initial period of time specified in the Order Form (hereinafter the "Subscription"). Unless otherwise agreed in the Order Form, the Subscription shall automatically renew for successive periods of the same duration, unless prior notification of the parties by registered letter with acknowledgement of receipt at least thirty (30) days prior to the end of the current term.

5.2. The Service can be accessed via a website (hereinafter the "Website") and requires the use of personal login IDs provided by KLAXOON.

5.3. The Client agrees to make available, at its own expense, high-speed Internet access (not included in the Subscription).

5.4. KLAXOON hereby reminds the Client that the Internet network used to access the Service in SaaS mode is an open and informal network, formed by the global interconnection of IT networks using the TCP/IP internet protocol suite. The Internet is not managed by any central entity, since each portion of this network belongs to an independent public or private organisation. Its operation is based on cooperation between the operators of the various networks, and there is no obligation incumbent upon the various operators to supply a service or to deliver a specified quality of service. The networks may have unequal transmission capacities and their own policies regulating their use. KLAXOON cannot provide a guarantee that the Internet overall shall function correctly and nor, for this reason, can it provide a guarantee against any partial or total inability to access the Service in SaaS mode.

6. Use of the Equipment

6.1. Rental of the Equipment

Depending on the option subscribed to in the Order Form, the Client may rent Equipment for an initial period of time specified in the Order Form (hereinafter the "Rental"). Unless otherwise agreed in the Order Form, the Rental shall automatically renew for successive periods of the same duration, unless the Client notifies KLAXOON by registered letter with acknowledgement of receipt at least thirty (30) days prior to the end of the current term.

This Rental does not result in a transfer of ownership of the Equipment, which remains the exclusive property of KLAXOON. The Client shall not loan, sub-rent, dispose of or transfer ownership of the Equipment.

For the entire duration of the Rental, the Client is the custodian of the Equipment, and is responsible for taking out insurance against all possible damage to the Equipment or for checking that its insurance policies fully cover the incidents or accidents which might cause this damage. The Client agrees to provide written evidence of this cover when first requested by KLAXOON. In this capacity as custodian, the Client is and remains liable for all damage suffered by the Equipment. The Client is liable in the event of the theft, loss or deterioration of the Equipment.

The Client agrees that, within a period of not more than thirty (30) days starting from the end of the Rental, and irrespective of the reason, it will return the Equipment in good working condition to KLAXOON at its own expense, and in packaging appropriate for the conditions of transport; the Client assumes liability for the risks of degradation and loss.

If the return of the Equipment is delayed by the Client, and after a formal notice addressed by registered letter with request for acknowledgment of receipt remaining ineffective for a period of seven (7) days from its first presentation, KLAXOON reserves the right to apply a fixed compensation equal to 1% of the total amount invoiced on the Equipment not returned per day of delay, without prejudice to any legal proceedings which KLAXOON may initiate against the Client.

The provision of the Equipment under the terms of a Rental may be conditional on the payment of a security deposit by cheque, payment card or in cash, as detailed in the Order Form. This security deposit, whose value shall be set by KLAXOON based on the retail price of the Equipment, shall not generate any financial benefit.

If the Client's actions result in the loss or theft of the Equipment, KLAXOON shall invoice the Client for the payment of a lump sum equal to the rental fees for such Equipment during an eighteen (18)-month Rental period. Where the breakdown or defectiveness of the Equipment is attributable to the Client, KLAXOON shall invoice the Client for the full cost of the repair, exchange or replacement with equivalent

Equipment, and including the shipping and transfer costs incurred. If no security deposit is paid, the corresponding invoice is payable on reception. If a security deposit is paid, KLAXOON may set off the value of the invoiced amounts against this deposit, without performing any prior formality with the Client, and shall then return the balance to the Client. If these invoiced amounts exceed the value of the security deposit, the Client shall have to pay the balance on reception of the invoice.

If the integrity of the Equipment is complete and it is found to conform fully when returned at the end of the Rental, irrespective of the cause, KLAXOON undertakes to return the security deposit promptly and in its entirety to the Client.

After receiving the Equipment from the Client, KLAXOON shall delete all the Data stored in the Equipment in accordance with the provisions stated in Article 14.6 herein.

6.2. Purchase of the Equipment

Depending on the option selected in the Order Form, the Client may purchase the Equipment (hereinafter the "Purchase") under the conditions described in these GTCS and in the Order Form.

6.3. Transfer of risks and delivery

Klaxoon shall bear the risk of transport (loss and damage) and the Client shall bear the costs of such transport as indicated in the Order Form.

Notwithstanding the above, it is expressly agreed that the delivery of the Equipment does not constitute any transfer of ownership of the Equipment.

The parties agree the Equipment is deemed delivered by KLAXOON when delivered to the person and at the address specified in the Order Form Order (the "Reception").

The risks associated with the loss and deterioration of the Equipment are transferred to the Client at the Reception. The Client shall have the right to make any claims necessary against the carrier under the terms and conditions of article L.133-4 of the French Code de commerce. As of this date, the Client shall be solely responsible for any damage that the Equipment may suffer or cause.

If the Client disputes the conformity of the delivery with the Order placed it must, so that it can enforce its claim against KLAXOON, send its claim against KLAXOON within five (5) days of the date on which it is actually received by the Client. After this period, the Client is presumed to have irrevocably and unreservedly accepted the delivery.

6.4. Ownership of the Equipment

6.4.1. Rental of the Equipment

During the term of the Rental, the Client

- shall not take any action which affects or which might affect KLAXOON's exercise of its rights of ownership of the Equipment (e.g. Resale, use as collateral, dismemberment of property, etc.);
- undertakes, for the entire duration of the Rental, to oppose third-party infringement of KLAXOON's right of ownership of the Equipment in all circumstances, and notably in cases of claims, seizure, or court-ordered insolvency procedures.

6.4.2. Purchase of the Equipment

As part of the Equipment Purchase, KLAXOON retains ownership of the Equipment until full payment of the purchase price of this Equipment by the Client.

The Client undertakes, until full payment of the price, not to transform, incorporate, resell and/or pledge the Equipment. Otherwise, Klaxoon may immediately claim the return of this Equipment.

6.5. Warranty on the Equipment

The Equipment cannot be used for any purpose other than delivering the Service.

This warranty covers every conformity fault or hidden defect with regard to the Equipment, to the exclusion of any other express or tacit warranty. KLAXOON undertakes to fulfil the obligations incumbent upon it by applying a level of care consistent with that performed within its industry and in compliance with good current professional working practices.

In accordance with the applicable regulation, the warranty on the Equipment covers:

- for the Rental, the entire duration of this Rental;
- for the Purchase, a period of two (2) years following the Reception of the Equipment in accordance with the French legal warranties ("Legal warranties"). KLAXOON may also decide to offer to the Client the purchase of an additional warranty for an additional period of three (3) years. This extension of warranty shall be mentioned in the Order Form.

For the consumer Client solely:
KLAXOON warrants the Equipment under the conditions set out in this article, without prejudice to (i) the warranty of hidden defects as provided for in articles 1641 to 1649 of the French Civil Code and (ii) the warranty of conformity provided for by articles L.217- 4, L.217-5 and L.217-12 of the French Consumer Code.

Within two (2) years from the date of Reception, the consumer Client may decide to implement the legal warranty of conformity that applies independently of a possibly granted commercial warranty. The consumer Client may choose between the repair or replacement of the Equipment, subject to the cost conditions provided for in Article L.217-9 of the French Consumer Code. The consumer Client is exempted from reporting the proof of the lack of conformity of the Equipment during the twenty-four (24) months following its Reception, except for the second hand Equipment. The consumer Client may also decide to implement the warranty of hidden defects within the meaning of Article 1641 of the French Civil Code. In this case, the latter

may choose between the resolution of the Purchase or a reduction of the price in accordance with article 1644 of the French Civil Code.

In accordance with Article L.111-4 of the French Consumer Code, KLAXOON undertakes to communicate to the consumer Client the date until which the spare parts required for the use of the Equipment are available on the market.

This warranty does not cover wear parts (such as electric cables and power supplies, carrying case, etc.).

In accordance with the applicable regulation, the warranty cannot be enforced if the Client fails to make its payments for the Equipment.

If the Client wishes to invoke the warranty it shall notify KLAXOON of its intention, and the latter shall provide the Client with details of the procedure to follow and provide a reference number.

In this situation, the Client shall return the Equipment to KLAXOON at the Client's expense and with the Client retaining liability.

KLAXOON undertakes to repair or replace, at its sole discretion, the Equipment covered by the warranty and considered to be defective by KLAXOON in a prompt manner. Under these circumstances only, the Equipment shall be returned to the Client at KLAXOON's expense.

If the Equipment returned under the terms of the warranty is ultimately found to be in good working order or to have been damaged as a result of incorrect use, then KLAXOON shall send a quote for the cost of the work to the Client before carrying out the work on the Equipment which shall be invoiced to the Client.

Should the Client requests KLAXOON to work on Equipment excluded from or not covered by the warranty, then KLAXOON shall provide details about the procedure to follow and shall send a quote.

All warranties are excluded in the following cases: (i) the Equipment is used in a manner which is abnormal and/or which does not comply with its intended use or with the Documentation, notably if the Equipment has been opened, (ii) the Equipment is combined with another product which results or not in an infringement of the rights of a third party, (iii) a third party not authorised by KLAXOON carries out repair work, (iv) negligence or incorrect servicing or maintenance, (v) the failure by the Client to install the Updates (a definition of which is given below) provided by KLAXOON or (vi) force majeure.
